

### **The Four Stages of Christianity 3**

Over the last 2 weeks we have looked at two of the 4 stages, in relation to becoming Christ like in nature, character and lifestyle.

For this resource, I want us to read over again stage 1. "Give Me" and stage 2. "Use Me" and discuss the following questions as a group.

#### **Questions**

1. What are some of the key attributes you observe about stage's 1. & 2?
2. These stages are very real for Jesus' followers today. Why is it so essential we move out of these stages in our relationship with God and into stages 3. and 4?
3. If we are being totally honest with ourselves and God, knowing there is no condemnation or guilt in Christ, how many of us can relate to being in these stages (1. or 2.) today and why do we think we are in this stage or stages?
4. What is required within us, if we genuinely want to move from stages 1. and 2. and enter into stages 3. and 4?
5. What is stopping you, if anything making movements towards stages 3. & 4?

#### **Action Point**

Each member of the group is to write down 1-2 things, they are going to do in relation to moving towards stages 3. & 4. and give it to or send it to the person on your left. The person on your left is going to pray for these things over the coming weeks and ask you how you are getting on with these things you have written down.
